1. Welcome and introductions  
11 parents attended, it was lovely to see a mixture of parents from both afternoon and morning sessions.
2. Review Nursery Action Plan  
See updated plan
3. End of Year celebration – suggestions  
Teddy Bear's Picnic, decorate woods – parents at the forum liked this idea. Mrs Cran will discuss with the nursery team.
4. Questions/suggestions/queries for next session – In Nursery or in P1  
Several questions were asked about Primary 1. Mrs Cran reassured parents that once all P1 places had been accepted a letter with dates for induction sessions would be sent to parents. These events will clarify many of the uncertainties around starting P1 in August.
5. Questions or comments from parents/AOCB  
Some time was spent clarifying the role of a PTA member. Parents were reassured that once you attend one meeting it is not essential to attend every meeting thereafter. All parents can attend any meeting they wish to attend and can put themselves forward for specific roles or tasks to support the work of the PTA. No one would be asked to do anything they were uncomfortable with. Mrs Cran welcomed nursery parents at the meeting to attend any PTA meeting or event they wished and said that people can come along a bit later if it helps with childcare.  
Mrs Cran directed parents to the electronic sign up for Mayfair helpers.

Mrs Cran thanked everyone for attending and wished them a happy holiday. The meeting then closed with AM parents going to the Ladybird Drive and PM parents leaving school.
