Kingswells Primary School
Kingswells Avenue
Kingswells
Aberdeen, AB15 8TG

Dear Nursery Parents,

Further to Mrs MacIver's letter to parents yesterday, we would like to inform the Nursery parents that plans are in place to use Interactive Learning Diary to support your child's learning at home.

The Nursery staff will set several weekly learning challenges for the children and you will be asked to share photos, videos and comments with staff on Interactive Learning Diary. Nursery staff will comment back about the learning that is shared with us. We will also share helpful websites and play-based learning ideas which can be used to support your child's learning at home.

We will post information using the name **Nursery Team** which will be used instead of our individual usernames. Please share a post to **Nursery Team** if you have a question or comment you would like a response too. All staff members will be able to see it but other parents will not. We understand that children will be finding the current situation strange and would like to keep in contact with them as much as we can.

If you lock your ILD account, please contact the school using kingswells@aberdeencity.gov.uk and we will endeavor to reset it for you.

I would like to take this opportunity to thank our nursery team for their commitment and care for our pupils at this challenging time.

Thank you for your continued support,

Mrs Cran
