

Special Parent Talk
Help to Keep your Child Safe Online

Kingswells Primary School
Tuesday 27th March 6.30-8pm

Our children live in the Internet Age. They love to use technology and play the latest games. However, it is not always easy for parents and carers to understand what they are doing and how we can help to do the right things to keep them out of danger.

The school will be having a Special Internet Safety Day for pupils in P4-P7. The children will learn about going on line and how to keep safe.

It is important that parents are also involved so they are able to help their children when they are at home. We would like to invite all parents with pupils in Kingswells School to a special talk.

The talk is being given by Paul Hay, who is a specialist in Internet Safety. He will tell you :

- **How young people use the Internet.**
- **Show how children use programs such as Minecraft, Roblox, Instagram and SnapChat**
- **Describe how information young people post can be misused by people who are not their friends.**
- **Explain what you, as parents, can do to help keep them safe.**

Instagram

Above all it will give you as parents and carers the confidence to help your child get the most benefit and enjoyment from the internet while keeping safe.

Topics will be discussed in language we as parents understand. No technical or computer knowledge is required or expected.

If you would like to book a space on this session, please complete and return the reply slip to the School Office.

Help to Keep your Child Safe Online

I would like to book places for this session

Name

Child/ren's name(s) and Class

Is there a particular question on e-Safety that you would like answered? Write it here and we will do our best to have Paul answer it on the day.
